Advisory Information

**about this document**

This document is a receipt style certificate telling you that an MOT Test pass result has been recorded in the Driver & Vehicle Standards Agency's (DVSA's) database of MOT Test results; this can be verified at [www.gov.uk/check-mot-status](http://www.gov.uk/check-mot-status).  
A test certificate relates only to the condition of the components examined at the time of test. It does not confirm the vehicle will remain fit for use throughout the validity period of the certificate.  
Check carefully that the details are correct.  
Whilst advisory items listed above do not constitute MOT failure items, they are drawn to your attention for advice.  
For further information about this document, please visit [www.gov.uk/getting-an-mot](http://www.gov.uk/getting-an-mot) or contact DVSA on 0300 123 9000\*.  
This information may be monitored or recorded for lawful purposes.
