24th September 2017

Dear Sir/Madam,

As you can see from the attached letter, the garage I bought my car from (registration MX10 CHC) incorrectly registered the car in the name of [redacted] instead of my name

Upon receipt of the V5 in the name of [redacted], I tried to amend the V5 for my correct details by filling out Section 6 of the V5. I thought if I left the New keeper? box unchecked you would realise I wasn't a new keeper and I was just amending the name details to the correct ones. You updated the details and sent me the attached V5. The registered keeper details in Section 1 are now correct. Unfortunately, the previous registered keeper in Section 2 now shows [redacted] and the no of former keepers is 6. Please can you amend these details to the correct previous owner and the no of former keepers to 5.

If you have any questions please don't hesitate to contact me on 07770 890 554 or at

Warm regards,

[redacted]
