MERCEDES BENZ 300SL ROADSTER

Chassis No: WDB19804210002653

MODEL YEAR: 1960

Originally supplied new to the USA. In 1990/1993 the car was subject to a total Body off restoration regardless of cost by a well known US Restorer under the supervision of John Olsen the renowned 300SL expert and author of the "The SL Experience". Every detail was completed correctly. The mileage was then 67.000 and the current mileage is now only 72.000. The car has matching chassis/engine numbers and 3.89 rear axle.

Originally finished in DB166 Blue Grey, the car has been repainted in Silver Blue metallic. The interior leather and soft top are Cream.

Still in Concours condition this Roadster has the original Becker Mexico radio with automatic electric aerial, chrome road wheels, 2 fitted suitcases, inertia reel seatbelts and European specification headlamps.

Recently serviced by HK-Engineering. European taxes paid and at present registered in UK with new MOT certificate..

Dear Sir/Madam

VEHICLE REGISTRATION MARK: PFF 686
MAKE/MODEL: MERCEDES 300 SL AUTO

Thank you for informing us of your Statutory Off Road Notification (SORN) for this vehicle.

The vehicle record now shows that this notification applies from 01/08/05. This notification lasts for 12 months. When it is due to expire, we will send you a reminder as long as you are still the registered keeper of the vehicle and there have been no other changes. If you sell, permanently export, or scrap the vehicle you must tell us. The notes on the vehicle registration certificate (V5 or V5C) explain what to do.

Do not use your vehicle or keep it on a public road while the SORN is in force. If you do, the maximum penalty is a £5,000 fine and imprisonment.

If you want to license the vehicle again during the next 12 months, or when the SORN period comes to an end, you can do so at a vehicle licence issuing Post Office[®] branch by filling in a Vehicle Licence Application form (V10). You must also produce the V5/V5C and necessary supporting documents. However, if the vehicle is a heavy goods vehicle (HGV), you can only license it at a DVLA Local Office by filling in a HGV Licence Application form (V85). (This form is available from DVLA Local Offices, licence issuing Post Office[®] branches, or from DVLA Website at www.dvla.gov.uk).

Yours faithfully

RUSSELL TROWBRIDGE-MATTHEWS

For information only: you can declare SORN from the 15th day of the month in which your vehicle licence/SORN declaration expires. If your vehicle licence/SORN declaration has already expired, you are able to make a new SORN declaration from the current month only.

Dear Lord Laidlaw

Vehicle Registration Number: 93 LL

As the vehicle was manufactured/registered before 1963, it needs to be examined to confirm that the information you have provided matches our record before we can process your personalised registration application.

Your vehicle will need to be examined by SGS and you will need to contact them to arrange an appointment. DVLA cannot make the appointments for you. Once you have given SGS your preferred contact details, they will come back to you within 5 working days with an appointment date and time. Whenever possible, SGS will visit your home to carry out the examination. If this is not possible, you should discuss and agree an alternative location with them. You should discuss any queries about the location, date or time of the examination with SGS.

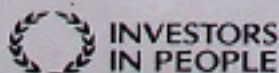

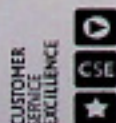

PLEASE CONTACT 01795 543808 TO MAKE AN APPOINTMENT

If you need to take your vehicle to an alternative location for the examination, please ensure that the vehicle is:

- roadworthy, taxed, insured and driven by a licensed driver, or
- transported to the examination location on a suitable vehicle.
