GENERAL INFORMATION

Dear Customer

The "Warranty Booklet" (and the Owner's Manual) is an integral part of the vehicle and must always accompany the vehicle, even in the case of change of ownership.

The "Warranty Booklet" is organised into a number of different sections. One of these is dedicated to Scheduled Maintenance, in other terms the checks and inspections specified by FERRARI to ensure correct vehicle maintenance.

Service Network

In the event of any malfunction during the period of validity of the warranty, we recommend that you contact our Service Network.

If the malfunction is attributable to a manufacturing defect, the repair work necessary will be performed under warranty (at no expense to yourself) using only ORIGINAL FERRARI SPARE PARTS.

FERRARI recommends the use of specific lubricants for the engine and other parts of the vehicle.

Please remember to provide the Service Network with the vehicle type and chassis number so that your service request may be dealt with correctly.

Change of Residence

In the event of a change of address and/or ownership, please compile the form at the back of this booklet and send it to FERRARI S.p.A.

Ignition Key and Code Card

In the event of loss or theft, a duplicate may be requested from the Authorised Ferrari Network as described in the Owner's Manual.
